GEORGE CARVER

### Licencing Information

Carver Financial Limited (FSP779364) holds a licence issued by the Financial Markets Authority to provide financial advice. George Carver is authorised by that licence to provide financial advice.

### Nature & Scope of Advice

George Carver of Carver Financial Limited trading as RMA Financial provides advice to clients about their Life insurance & Health insurance. Carver Financial Limited provides financial advice in relation to these financial advice products.

Carver Financial Limited only provides financial advice about products from certain providers:

- For Life, Trauma & Disability insurance, I work with five companies  
– AIA, Asteron Life, Cigna, Fidelity Life and Partners Life.
- For Health insurance, I work with four providers  
– Accuro, AIA, NIB and Partners Life.

In providing you with financial advice, we will consider both your existing and unmet personal risk needs. We will not provide advice on existing whole of life or endowment products, so you will need to consult a specialist if you would like advice on those products. Carver Financial Limited also provides advice in relation to ACC structuring.

### Fees & Conflicts of Interest

Carver Financial Limited may charge a fee for the financial advice provided to a client where no compensation for work done is received from a provider. Any fees that will apply to an engagement will be explained and agreed with the client beforehand. RMA Financial and our Financial Advisers receive commissions from the providers on whose products we give financial advice (the insurance providers). If you decide to take out insurance, the provider will pay a commission to Carver Financial Limited, your financial adviser. The amount of commission is based on the amount of the premium. From time to time, product providers may also reward us for the overall business we provide to them. For example, they may give us fruit baskets, hampers, or other gifts. To ensure that we prioritise the client's interests above our own, we follow an advice process that ensures our recommendations are made on the basis of the client's goals and circumstances. All the RMA Financial Advisers undergo annual training about how to manage conflicts of interest. We maintain a register of any conflicts of interest and we also have annual compliance auditing processes in place.

We aim to resolve complaints within 10 working days of receiving them. If we can't, we will contact you within that time to let you know we need more time to consider your complaint. We will contact you by phone or email to let you know whether we can resolve your complaint and how we propose to do so.
